~~SECRET~~
CIA HISTORICAL REVIEW PROGRAM
RELEASE IN FULL 1985

23 OCT 1963

MEMORANDUM FOR CIA MEMBER UNITED STATES INTELLIGENCE BOARD

SUBJECT : Request for Security Ruling on Aerial
Reconnaissance Movie over Cuba

REFERENCE: USIB D-41.14/82 (COMOR D-24/96) 18 October 1963

1. This is a briefing note on this subject on which telephone action is requested by the USIB Secretariat.

2. The Navy Public Information Office requested COMOR and USIB action on the declassification of ~~SECRET~~ color movie film taken during Cuban low-level overhead reconnaissance missions during June 1963. The COMOR does not believe that further precedence should be established for the public release of photography taken over Cuba and recommends against declassification of this film. The Navy COMOR member, and presumably the Navy USIB member, concurs in this recommendation.

3. It is recommended that you concur in the COMOR recommendation.
